SCHEDULE

OUTDOOR PLAY

We explore nature by using the outdoors as our classroom. We make use of playground equipment, balls, cones, chalk, etc. We visit local playgrounds to explore and play.

GEOGRAPHIC EXPLORATION

Each week we focus on a different country and culture using hands-on activities. These activities include crafts, cooking projects, sci-ence experiments, and music. The activities are a fun and engaging way to learn over the summer!

SOCIAL ACTIVITIES

We encourage every child to engage in social activities when appropriate, and focus on individual activities during the learning periods of our day. We are focused on developing both individual focus and social skills.

ENROLLMENT & ACCEPTANCE

Registration

Early registration guarantees your families preferred weeks! NES Summer Camp spots fill up fast, so return your registration forms quickly. For registration, please visit www.nestars.net and click on "register for summer camp." Registration is first come, first serve.

Enrollment

In order to secure a place, your payment must accompany your registration. If you sent in the registration without payment, you are NOT GUARANTEED a place in the program, we will put you on the wait list. Your family will be notified as soon as your registration is processed.

Rolling Admissions

Families can register throughout the summer if spaces are still available. Payment will be required at the time of registration. If you need to 'drop' or cancel a week that has already been registered, our FAQ page details our refund policy.
